

You are invited to **Police-Community Relations**

November 7, 2020

10 a.m.—12 noon

Zoom Meeting Room: 795-033-0459

Come Learn

- How do police officers communicate with people of color when stopped and what is the emotion.
- How do African Americans communicate with police when needing assistance or when stopped?
- What role does trust, fear, prejudice, understanding, prior experience by either party play in how these interactions are approached?
